.....

I, Mr. Chanchai Sittisan, Permanent Secretary of Taling Chan Subdistrict Administrative Organization, acting in the capacity of Chief Executive of Taling Chan Subdistrict Administrative Organization, hereby declare that the Taling Chan Subdistrict Administrative Organization shall be an agency in which all state officials do not accept gifts or gratuities of any kind, nor solicit or receive any benefits arising from the performance of their official duties, whether before, during, or after the performance of such duties. I further express my determination to lead personnel under the jurisdiction in Krabi Province to uphold loyalty to the nation's principal institutions, namely the Nation, Religion, and the Monarchy, and to the democratic system of government with the King as Head of State. Personnel shall adhere to moral principles and ethics, conduct themselves as good citizens, courageously uphold what is right, prioritize public interest over personal interest, perform duties promptly and in a timely manner, provide services to the public with willingness, politeness, humility, and courtesy, serve as good role models, and administer public affairs with good governance—honestly, with integrity, transparency, and accountability. Accordingly, all personnel at every level under the jurisdiction in Krabi Province shall conduct themselves as follows:

๑. Do not solicit, give, or accept bribes, gifts, or gratuities of any kind arising from the performance of official duties.
๒. Do not consent to, or be complicit in, any act whereby family members give or receive bribes, gifts, or gratuities of any kind from persons related to the performance of official duties.
๓. Perform official duties by prioritizing the interests and image of the public service; do not engage in any act that constitutes a conflict of interest between personal interests and those of the public service.
๔. Reduce the giving or receiving of assets or other benefits by custom or courtesy in accordance with the criteria prescribed by the National Anti-Corruption Commission (NACC).
๕. Do not commit, do not tolerate, and do not remain indifferent to any behavior involving the giving or receiving of bribes, gifts, or gratuities of any kind arising from the performance of official duties that may lead to corruption or misconduct.

It is hereby announced and applied to all
